Originally established in 1970 as the DSU Booster Club, the Green & White Fund was restructured in 2000 to foster support of men's and women's athletics through avenues of giving that include annual giving, scholarship endowment, planned giving opportunities, and special project support.

Delta State University prides itself on a tradition of excellence, both in the classroom and on the field of competition. Our student-athletes are excellent scholars as well as competitors, and with the support of the Green & White Fund, that tradition will continue.

Because State funding for DSU Athletics is limited, the Green & White Fund is an integral factor in providing for the excellence of the program. Through the donations of DSU supporters, the Green & White Fund is able to provide financial support for student-athletes participating in thirteen varsity sports.

Statesmen and Lady Statesmen supporters throughout the United States and the world show their pride in DSU athletics by being a part of the Green & White Fund. We welcome all DSU alumni and friends.

The Green & White Fund provides three distinct "giving" opportunities.
A. Annual Giving Program
B. Student-Athlete Scholarship Endowment Fund
C. Special Project Fund

About the Fund

Delta State University | Athletics Department Mission Statement

The mission of the Delta State University Department of Athletics is to advance the role of the University in its pursuit of excellence of providing the total educational experience for its students. The Athletics Department will produce competitive and entertaining athletic teams, by recruiting outstanding student-athletes, and maintaining quality coaches and staff. The Athletics Department will prepare student-athletes to be productive members of society by molding their development socially, emotionally, intellectually, and physically. This commitment will breed success for the student-athlete, the athletics department, and the institution. Delta State Athletics is committed to this mission.

Green & White Fund Mission Statement

The Green & White Fund has the obligation and the responsibility, as a nonprofit corporation, to use its resources in a responsible and effective manner to foster the mission of Delta State Athletics and Delta State University. The mission of the Green & White Fund is to aid the Athletics Department in the form of student-athlete scholarships, funding for facility improvements, supplement funding to individual sports, and in many other ways necessary to have an outstanding athletics program.

Student-Athlete Scholarship Endowment Fund (SASEF)

Delta State Athletics sponsors over 100 full scholarships per year at an average cost of \$8,000. This \$800,000 annual cost represents 1/3 of the annual athletics budget. The opportunity to fund this cost in perpetuity would enable DSU Athletics to provide the excellence necessary for championship programs. DSU Foundation Policy sets a minimum contribution of \$10,000 for establishing endowments.

Special Project Fund

Delta State Athletics has several special project funds including facility enhancements and individual sport funds. Your gift to special project funds is 100% tax deductible and has no priority seating benefits.
