Writing Assignment No. 10

Due: Monday, November 15

Instructions: Prepare a two page essay on the topic identified below. Be sure to develop an explanation or argument in your essay. See the link from the course home page for tips on writing an effective essay.

Topic: Using information from the second part of the Bill Moyers video and the health links on the course webpage (see below), consider the connection between sustainable development and health. What are the major health issues facing humanity today? What are the challenges, opportunities and responsibilities of high-income and low-income countries in confronting these issues?

The following links have been added to the course webpage, at the bottom, below the Course Outline. They provide information that may be useful in completing this assignment:
