

### **Career Goals**

*Question:* What are your career goals?

*Assignment:* In a brief (1-2 page) narrative, describe what you plan to do after graduation. Focus on your professional aspirations.

These questions may help you think about your essay:

What did you study at DSU? Do you plan to continue working in this field? How will your education help you with your career?

What do you want to do for your first job after graduation?

What do you want to be doing five years after graduation? What will you have to do to get there?

What will you be doing in twenty years?

What else do you plan to do in your life besides your career and work (e.g. travel? more study? family?)

Type up your essay, and submit it in class on February 13.

This essay will go in your portfolio. Keep this version of your essay to turn in with your final portfolio.
